

DCRO Training Schedule 2019

Training will take one of two formats:

Weekday evenings 7.30 – 9.30pm. Approx 2 hrs of training provided on a specific subject or a rotation of subjects. Often at base, although other locations including underground one will be used.

Weekend training exercises typically run 10:00 to 15:00, involving underground and surface roles, generally run as a call-out but with a specific focus (shafts, search, cas care etc).
