As part of your application, DCRO will need to undertake an Enhanced DBS (Disclosure and Barring Service) check on you. A criminal record will not, in itself, prevent anyone from being a team member. In the case of a disclosure, each case will be looked at on its own merits, taking into account the date of the offence, seriousness, patterns in behaviour, relevance and mitigating circumstances. Failure to disclose all convictions could result in disciplinary proceedings and / or removal from the team.
